

Micro Discectomy Retractors

Welcome to Incus Surgical Limited

For nearly 30 years, Incus Surgical Limited have built and sustained an enviable reputation for the manufacture and supply of surgical instrumentation, covering every type of surgical speciality.

We have distinguished ourselves as a major leader in redefining the provision of high quality surgical instruments, and have become well known for the passion of our people and partners in providing unsurpassed levels to our customers internationally.

Our mission is to be the healthcare industry's first choice for all their surgical instrument requirements, and to deliver products of outstanding quality with great service, at an affordable price.

We are delighted to present our range of Micro Disectomy Retractors — for prices and stock availability please email: marie@incus-surgical.com
